AI Review Findings:

- **Review Findings and Filing Advice**

Based on the provided ITR JSON, I have identified the following review findings and filing advice:

Review Findings

- **Taxpayer Information**:** The taxpayer's name is not provided, which is a mandatory field. Please update the `name` field in the `taxpayer` section.
- **Assessment Year**:** The assessment year is marked as "UNKNOWNAY", which is incorrect. Please update the `assessment\_year` field in the `taxpayer` section with the correct assessment year (AY2024-25).
- **Income Details**:** The `Taxable Income` is calculated as `-2.0`, which is incorrect. The `Taxable Income` should be calculated based on the `Total Income` and `Total Deductions`. Please recalculate the `Taxable Income` and update the `income\_details` section.
- **Deductions**:** The `breakdown` field in the `deductions` section is marked as `0.0`, which is incorrect. Please provide the breakdown of deductions in the `breakdown` field.

5. ****Tax Computed****: The `regime` is marked as "new", but the `final\_tax` is calculated as `0.0`, which is incorrect. Please recalculate the `final\_tax` based on the `taxable\_income` and update the `tax\_computed` section.
6. ****Refund Info****: The `status` is marked as "pending", but the `balance` is calculated as `0.0`, which is incorrect. Please update the `refund\_info` section with the correct refund status and balance.

Filing Advice

1. ****Update Taxpayer Information****: Please update the `name` field in the `taxpayer` section with the correct taxpayer name.
2. ****Recalculate Taxable Income****: Please recalculate the `Taxable Income` based on the `Total Income` and `Total Deductions` and update the `income\_details` section.
3. ****Provide Deduction Breakdown****: Please provide the breakdown of deductions in the `breakdown` field in the `deductions` section.
4. ****Recalculate Final Tax****: Please recalculate the `final\_tax` based on the `taxable\_income` and update the `tax\_computed` section.
5. ****Update Refund Info****: Please update the `refund\_info` section with the correct refund status and balance.
